Product Information

BLUE PRIDE is a complete, one-shot built detergent developed specifically for coin-op laundry operations for either service wash or dispenser use. On-premise laundries in Clubs, Hotels and Private Hospitals, find it an economical detergent for all but the heaviest greasy loads, where Glyda is recommended.

BLUE PRIDE has all the detergency functions necessary for consistent reliable soil removal from cotton, polyester blend or pure synthetic fabric in either hot or cold water.

Dispensing

BLUE PRIDE has a crisp, dry, non dusty blue appearance and is ideal for service wash and dispenser use.

Types of machines

One of the big benefits of BLUE PRIDE is that it may be used in either top or front loading machines. It's fast breaking foam does not reduce the cleaning performance in front loaders.
