

**KEEP OUT OF THE REACH OF CHILDREN**

# **POWER GEL**

**HEAVY DUTY CHLORINATED STAIN & MOULD REMOVER,  
CLEANER DEODORISING GEL  
CONTAINS POTASSIUM HYDROXIDE 5%  
AVAILABLE CHLORINE 4.8% M/V**

## DESCRIPTION

Power Gel has been formulated to remove rust and other stains from porcelain and ceramic tiles and as a heavy duty cleaner for the removal of soap scum, body fats and mould from most hard surfaces, leaving a fresh lingering alpine fragrance.

## DIRECTIONS FOR USE

Do not dilute. Test on a small inconspicuous area prior to applying to entire surface. Due to Power Gel's thickened formula, it has the ability to cling to vertical surfaces. Apply directly to surface, agitate and leave for approximately 1 minute. Thoroughly rinse surface with fresh water.

## CAUTION

Not suitable for aluminium or brass.

## FIRST AID

If swallowed, do not induce vomiting. Drink copious amounts of water. Seek medical advice.

- |                   |   |
|-------------------|---|
| <u>Eyes</u>       | Flush eyes with fresh water for 15 minutes.                                     |
| <u>Skin</u>       | If contact occurs, remove contaminated clothing and wash skin with fresh water. |
| <u>Inhalation</u> | Remove from source of vapour to fresh air.                                      |
