

# SILKY

HIGH PERFORMANCE, SOFTENER ENHANCED  
HAND AND BODY WASH.  
CONTAINS NO SOAPS OR SOLVENTS

## Here is the total solution to hand care.

Because SILKY is a concentrate non soap cleaner, it removes heavy industrial or greasy soils as well as removing general soils found in general offices, hotels, clubs and wherever good hand hygiene is require. SILKY is so powerful it will remove carbon soils and graphite grease from the hands yet you can wash every part of your body with it.

The real breakthrough with SILKY is that it does this job without harsh detergents or soaps or the need for petroleum solvents. In fact a specialty softener ingredient added to leave the hands soft and fresh, without being sticky or greasy.

## Food Industry

The third use for SILKY is in the food industry where a totally colour free, odour free chemically inert product with hyper allergic reaction testing is available for food producers. Those prone to perfume allergies and food colour hypersensitivity will find SILKY odourless, gives NO skin adverse reactions.

Dispenser Use - Both bag in box dispensers and bulk supplies and drums available.
