

SUDDEN IMPACT

FLOOR RESTORER – SPRAY BUFF

Description

SUDDEN IMPACT is not just a spray buff, but a fully formulated floor finish/restorer that can be used by spray buffing or by mopping and autoscrubbing. The unique co-polymer structure is thermally activated by buffing so that one pass of a buffing machine repairs scratching and restores gloss to a mirror-like finish that resists black heel marks and scuffing. SUDDEN IMPACT reduces sealer recoat frequency when used on a regular basis.

Directions For Use

Mopping and Autoscrubbing

Dilute as per label. Apply by mop or autoscrubber. Allow to dry, then buff with a Jackaroo Lite pad or equivalent for high to ultra high shine, or use a tan pad for low speed, up to 500 rpm.

Spray Buffing

Pre clean floor with NEUTRACLEAN or SUPASTAR, as per directions. Dilute SUDDEN IMPACT at 1 part SUDDEN IMPACT to 5 parts water. Lightly mist over floor directly in the path of the buffer.

Dilution Rates

Spray Buff:	1 part SUDDEN IMPACT to 4 parts water.
Maintenance Cleaning:	
Light Soilage	1 part SUDDEN IMPACT to 75 parts water.
Medium Soilage	1 part SUDDEN IMPACT to 50 parts water.
Heavy Soilage	1 part SUDDEN IMPACT to 25 parts water.
